Lane County	51	2	Woodson County	104	7
Leavenworth County	52	10	Wyandotte County	105	10
Lincoln County	53	3			

\*Note: Please advise students to not confuse their COUNTY with the city in which they live. For example, those living in the city of Wichita should select Sedgwick or an adjacent county, not Wichita County. Write the appropriate county(ies), county code(s) and corresponding region code(s) on the board, along with the appropriate USD number and building code.
