

# KANSAS COMMUNITIES THAT CARE (KCTC) STUDENT SURVEY

**ANONYMOUS** platform  
for student **VOICE**

Provided annually at **NO CHARGE** to  
Kansas 6th, 8th, 10th and 12th-graders.\*

Addresses **RISK FACTORS** like  
depression and substance use.

Highlights factors  
that **PROTECT**  
students from risk.

\*Survey funded by KDADS.

*"Trend data has been a critical driving force to OBTAIN FUNDS for programs that MAKE A DIFFERENCE for our youth."  
- Superintendent Clint Corby*

## SURVEY BENEFITS

Student insights inform **prevention program planning** designed to help students succeed.

Data has been used to show evidence of need for many **grant-funded projects**.

**Understand Kansas students in your area.**

Do they feel safe? Are they connected to school, family, and friends? Have they used alcohol, marijuana, or other substances? Tracking survey trends over time can help you find answers.

### PUBLIC DATA

Data and reports grouped by state, community mental health center regions, and counties.

### CONFIDENTIAL DISTRICT DATA

Can be made available with permission from superintendents.
