SURVEY CORE QUESTIONS

The main survey consists of one set of core questions:

1. **The Student Survey core questions** – It contains questions pertaining to CTC Risk and Protective Factors, including sections on Demographics & School Climate; Peer Influences; Drug/Alcohol/Tobacco Usage; Community-Based Perceptions.

OPTIONAL MODULES

1. **Family Domain Module** – It contains questions pertaining to Family Domain. Family Domain questions determine things like a student’s view of parents’ attitudes toward drugs/alcohol.
 - ⇒ Family Domain Questions can be previewed at this [LINK](#)
2. **Depression/Suicide Module** – This short module contains four questions related to depression and suicide ideation and attempt. It is available for use with both the comprehensive and alternate versions.
 - ⇒ Questions:
 - During the past 12 months, did you ever feel so sad or hopeless almost every day for two weeks or more in a row that you stopped doing some usual activities?
 - Have you ever seriously thought about killing yourself?
 - Have you ever made a plan about how you would kill yourself?
 - Have you ever tried to kill yourself?

3. **Gender Identity Module** – This module contains two questions related to gender identity. This optional module is new in 2022 and will be used to inform analysis of substance use, bullying, depression, and suicide among this demographic group. All survey questions are optional for students to respond to at their comfort level.

⇒ Questions:

- What gender were you assigned at birth, even if you are not that gender today (that is, what is the gender on your birth certificate)?
- What is your current gender identity, even if it is different than the gender you were assigned at birth?
