

Supplemental SECD Data

Definition:

Data below are included as supplemental information. These data are not included in the SECD Standards; however, they are important for student learning and growth. Supporting data includes bullying, student engagement, and emotion regulation. Emotion regulation items were new in 2022, so no prior year data are available.

* Numbers shown below are percentage of students responding.

Bullying

- Bullying is aggressive behavior that is intentional and that involves an imbalance of power or strength.
- Typically, it is repeated over time. A child being bullied has a hard time defending himself or herself.
