

What's Happening in Kansas?

In 2021 Kansas Young Adults reported an increase in vape and marijuana usage, but a decrease in alcohol and cigarette usage.

Why Does This Matter?

Marijuana usage can affect performance and how well people do in life. Research shows that people who use marijuana are more likely to have relationship problems, worse educational outcome, lower career achievement, and reduced life satisfaction. - SAMSHA (Substance Abuse and Mental Health Services Administration)

What Can We Do?
